

Product Information

AVENO Gear Super SAE 90 GL-4

0002-000407

Description

AVENO Gear Super SAE 90 GL-4 is a mineral oil for manual gear-boxes which based on the mineral base oil and suitable additives. The oil offers strong performance reduces friction and prevents wear and corrosion. AVENO Gear Super SAE 90 GL-4 is characterized by its excellent cleanness due to strong oxidative performance and viscosity control performance without compromising wear performance.

Instructions for use

AVENO Gear Super SAE 90 GL-4 guarantees proper lubrication, even in hypoid-geared gearboxes. The operating instructions of the automobile and gearbox manufacturer must be observed.

Quality classification

Specification

- API GL-4

Properties

- An excellent protection against wear
- Neutral towards metal and sealing agents
- Very good oxidation stability under severe oxidation conditions
- Maintain oil film thickness at different regimes
